### MARCHING THROUGH GEORGIA.

Bring the good old bugle, boys, we'll have  
an other song,  
Sing it with a spirit that will start the world  
along,  
Sing it as we used to sing it, fifty thousand  
strong,  
While we were marching through Georgia.

CHORUS:  
Hurrah! hurrah! We bring the jubilee! [free]  
Hurrah! hurrah! The flag that makes you  
So we sang the chorus from the Atlantic to  
the sea,  
While we were marching through Georgia.

How the darkeys shouted when they heard  
the joyful sound!  
How the turkeys gobbled which our com-  
missary found!

How the sweet potatoes even started from  
the ground,  
While we were marching through Georgia.  
Chorus.

Yes and there were Union men who wept  
with joyful tears,  
When they saw the honor'd flag they had  
not seen for years;

Hardly could they be restrained from  
breaking forth in cheers,  
While we were marching through Georgia.  
Chorus:

"Sherman's clashing Yankee boys will never  
reach the coast!"

So the saucy rebels said, and 'twas a hand-  
some boast,  
Had they not forgot, alas! to reckon with  
the host,

While we were marching through Georgia.  
Chorus:

So we made a throughfare for Freedom and  
her train,  
Sixty miles in latitude—three hundred to  
the main;

Treason fled before us, for resistance was  
in vain,  
While we were marching through Georgia.  
Chorus:

### A Ghastly Find.

A report comes to Jackson that the skeleton of a man, together with his clothes have been found in a hollow stump on the head of Stillwater, in Wolfe county, the discoverer being a dog. On last Sunday morning the occupants of a house in that section, the names of whom we were unable to learn, were attracted by the peculiar conduct of the dog, barking and scratching in a stump, when they went to the place and made an inspection and found the skull and other portions of the human skeleton, together with a hat and other garments crowded into the stump covered with rocks. It created great excitement and the people from the surrounding country came to see the awful find, but no trace of recognition could be had. It is evident that foul play has been employed but the lack of any marks of recognition shrouds the case in darkest mystery.—Breathitt County News.

## A Living Monument.

If we were to assemble all those who have been cured of heart disease by Dr. Miles' Heart Cure, and who would to-day be in their graves had not Dr. Miles' been successful in perfecting this wonderful heart specific, they would populate a large city.

What a remarkable record—a breathing, thinking, moving monument, composed of human lives,—that for which every other earthly possession is sacrificed.

The Miles Medical Co. receive thousands of letters from these people like the following:

"I feel indebted to the Dr. Miles' Heart Cure for my life. I desire to call the attention of others suffering as I did to this remarkable remedy for the heart. For a long time I had suffered from shortness of breath after any little exertion, palpitation of the heart; and at times terrible pain in the region of the heart, so serious that I feared that I would some time drop dead upon the street. One day I read one of your circulars, and immediately went to my druggist and purchased two bottles of the Heart Cure, and took it according to directions, with the result that I am entirely cured. Since then I never miss an opportunity to recommend this remedy to my friends who have heart trouble; in fact I am a traveling advertisement, for I am widely known in this locality."

J. H. BOWMAN,  
Manager of Lebanon Democrat,  
Nashville, Tenn.

Dr. Miles' Heart Cure is sold by your druggist, who will guarantee that the first bottle will benefit. If it fails he will refund your money.

County Court, and finding the roads in a very bad condition, notwithstanding the efforts of my predecessor to have the surveyors keep them in repair, now you may take warning in due time. I will say every Surveyor of Public Roads in Wolfe County that has not got his section of road in good condition as soon as possible, I will take a rule against them at once. All teamsters doing excessive hauling will have to repair the roads according to the damage done by said hauling.

Now, gentlemen, take warning, for I mean what I say. Your obedient servant,

S. P. HOWE, J. W. C. C.

### Quarterly Meeting.

The quarterly meeting of the M. E. Church South will be held at Goodwin's Chapel, Saturday, July 7th, with a service in the morning and afternoon. But there will be no service there on Sunday. Presiding Elder Mann will preach at Ezel Sunday morning and night. At the Chapel meeting there will be "dinner on the ground," and as yellow-legged chicken, fried to evidence, the saints will assemble round, and real old fashioned good time is anticipated. Even now one can hear the familiar air, "Old Time Religion is Good Enough For Me."

### Huge Task.

It was a huge task, to undertake the cure of such a bad case of kidney disease, as that of C. F. Collier, of Cherokee, Ia., but Electric Bitters did it. He writes: "My kidneys were so far gone, I could not sit in a chair without a cushion; and suffered from dreadful backache, headache, and depression. In Electric Bitters however, I found a cure, and by them was restored to perfect health. I recommend this great tonic medicine to all with weak kidneys, liver or stomach. Guaranteed by all druggists; price 50c."

In a pinch, Mr. J. Pierpont Morgan might go over and run Morway's affairs until she can pick out a king.

THE Russians had better hurry up with that peace proposition or Oyama will "get Linevitch" if they don't watch out.

MARYLAND politics have produced a "Wellington" and a "Bonaparte" but is there a Blucher? Ney, Ney, Pauline.

WASHINGTON will be recognized by the nations of the world as "first in peace." We never did take anything but first place.

Every body interested should assemble at the graveyard Saturday afternoon and assist in cleaning up the place. All who cannot help should give a piece of money towards the work. It is a shame to neglect the dead in such a way. Mrs. F. N. Day takes great pride in keeping the place clean.

The leading story of LIPPINCOTT'S MAGAZINE for July is "An Orchard Princess," by Ralph Henry Barbour. This is almost enough to say in its commendation; for those who read his other Lippincott novel, "Kitty of the Roses," will be sure of an idyllic treat in picking up a second tale by him. The "Orchard Princess" is wooed, as she sketches the orchard day by day, by a very persistent man and an unyielding bull pup; and how it all turns out the reader will want to discover for himself.

A rumored wedding that was to be celebrated on Lacy Creek today, was vigorously and vehemently denied Tuesday evening to "our man about town," by a sister of the reputed bride-to-be. But rumor is still rampant, notwithstanding.

Telephone communication was seriously impaired by the storm Saturday. At West Liberty all the boxes were burned out by lightning, and at Mariba, on the line to Mt. Sterling, the box was destroyed from the same cause.

## STATE COLLEGE OF KENTUCKY, LEXINGTON, KENTUCKY.

The Agricultural and Mechanical (State College) of Kentucky offers the following courses of study, viz.: Agricultural, horticultural, chemical, biological, mathematical, physical, normal school, classical, mechanical engineering, electrical engineering, civil engineering, mining engineering, each of which extends over four years and leads to a degree. Post graduate studies are also provided, leading to a master's degree. Each course of study is organized under a separate faculty. The general faculty number nearly fifty professors and instructors.

County appointees receive tuition, room rent in dormitories, fuel and light, and if they remain ten months, traveling expenses.

The laboratories and museums are large, well equipped, comprehensive and modern.

The Legislature appropriated \$60,000 for a college home for young women, and \$20,000 for drill hall and gymnasium for men. Both buildings are completed and in use. Military tactics and science are fully provided for as required by Congress.

Graduates from the several courses of study readily find excellent positions and liberal remuneration. The demand is largely in excess of the ability of the college to supply. Last year the matriculation was 750.

Specialists with the necessary number of assistants have charge of each department of natural science. Summer schools are provided for pedagogy, engineering and instruction in science.

The State College of Kentucky, though bearing hitherto the title of "college," is the only institution in the Commonwealth doing in any proper sense university work.

The completion of the college home for young women provides facilities for good board and lodging. It is equipped with all modern conveniences, including bath rooms and room for physical culture. It is heated by steam and lighted by electricity.

An opportunity is thus afforded to them of a thorough education in classics, modern languages, literature, science, mathematics, logic, metaphysics, history and political economy. No other institution in the State offers advantages for education of women at all comparable to those offered by the State College of Kentucky.

### To Teachers and Trustees.

DAYSBORO, June 27.

Spencer Cooper, Hazel Green, Ky.  
Dear Sir: you will please put the following notice in your paper.  
To the teachers and trustees of Wolfe county; you are hereby notified that the Wolfe County Institute will be held in the town of Hazel Green, July 10-14, and all teachers who hold certificates or contemplate teaching must attend the full term. Trustees' day Thursday.  
Yours truly,  
JOHN W. TAULBEE,  
County Superintendent.

We omit a very interesting letter from Cannel City because the writer insists that all or none be published. Our columns have and always will be under own control while we edit this paper, and unless we can correct by elimination there is no use to send articles to us. This letter could be published with less words than the writer employs and convey the same meaning, but we cannot correct because of his order.

A letter from Charley Wilgus, son of Dewese Wilgus, who formerly lived here, to the editor of this paper says they are "all well except papa, and he is about the same as when he left." Charley is living with his aunt, Mrs. Lucy Luxon, of Lexington, the two girls are there also. Mrs. Wilgus is in Louisville. Charley is office boy for Dr. Coleman.

Another well was brought in at Campton Tuesday on the Samuel Spradling farm, now the property of Courtney and Harry Combs. At nine feet in the sand the oil stood 450 feet in the well, and it was to be "shot" yesterday. Thrasher Combs brought in a good well. Beckett brought in another good one and some one still another. And still the good work goes on.

A letter from Davenport, Okla. brings the news that Mrs. J. M. Rose has been very dangerously ill, but at that writing was some better. It also says that many Kentuckians of that place attended the Confederate Reunion at Louisville, and other news. But much of it we could not read. Hence it is not published.

Several of the citizens of our town attended the meeting of the Free Will Baptists at Adel Sunday, expecting to see the ordinance of foot-washing performed. But in this they were disappointed, as that part of the program had been performed on Saturday. There was a large crowd.

"The Wild Man of Borneo," advertised in this paper will be seen at the store of H. F. Pieratt, and with a lot of prize tinware, glassware, excelsior roast coffee, "rub-no-more" soap, Tryphene headache cure, and a thousand and one things in general merchandise, upon which the prices are so low that they can not last when once you see them.

### HARD TO SUIT.

BY SAM WILSON.

In spring there's too many rainy days,  
And in summer 'tis hot enough to blaze;  
In fall a touch of chill does come,  
In winter 'tis too cold, by gum;  
And thus we're never satisfied  
Nor we the weather can divide.

The Hazel Green Oil and Gas Co. will introduce gas into the residence of Crockett Coldiron. Jim Leverett is doing the plumbing for the company, assisted by our namesake, Herald Pieratt.

Town Marshal Al Dye arrested Henry Gillaspie Saturday on a warrant from the Morgan Circuit Court on the charge of confederating, but he gave bond in the sum of \$500, and was released.

How's this for a winner? THE HERALD, 4 pages; The Atlanta Constitution, 8 to 16 pages, and the Sunny South, 8 to 16 pages. You can get them all for \$1.25 the year by calling on or addressing THE HERALD. tf

A. W. Cratzer, paymaster of the L. & E. railroad, with his wife, daughter and son, of Lexington; a Mr. Stewart and wife of Paris, and a Mr. Metcalfe, of Richmond, are at Swango Springs Retreat.

Services will be held at the Presbyterian Church on Sunday morning at 11 o'clock, and the pastor, Rev. P. H. Moore, requests that all the congregation attend promptly, as services will begin one-half hour after the bell rings.

Willie Whitt, son of George Whitt, who was employed by Bill McNabb, on Chapel Branch, ran away a few days ago, and his father is anxious to learn his whereabouts. He is about 13 years of age.

K. K. Spencer, of Lee City, accompanied by Elmer Nevins, of Bloomington, Ind., was in town Tuesday. They are lumber men, and were looking after timber. They were guests of the Day House.

### No Secret About It.

It is no secret, that for Cuts, Burns, Ulcers, Fever Sores, Sore Eyes, Boils, etc., nothing is so effective as Bucklen's Arnica Salve. "It didn't take long to cure a bad sore I had, and it is all O. K. for sore eyes," writes D. L. Gregory, of Hope, Tex. 25c at all druggists.

The Eastern Kentucky Oil and Gas Company, which has been drilling for oil on the O. T. Asbury farm, about one mile northwest of Campton, on Monday morning struck a good flow at a depth of about 1,350 feet.

Edt Fugate and Doff Williams, lumber men, were instantly killed by an explosion of a boiler in Fugates sawmill on Big branch, in Breathitt county. The explosion was caused by cold water being turned into a hot boiler.

### Money! Money!

To the people of Hazel Green who owe their town taxes, I warn must be ready on Monday, July 3, 1905, to pay their taxes. This is the last call that will be made to you for them. The most of them have paid, and had just as well have their money to use as the others.  
A. P. DYE,  
Town Marshal.

Price Rose, who was taken with flux about a week since is considered dangerously ill, though both Dr. Nickell and Dr. Carroll, of Campton, have been attending him. A message to Dr. Carroll Tuesday stated that his recovery was doubtful.

Sheriff Stamper arrested James Hatliff on Stillwater, this county, on a charge of breaking into a house of Boone Tyra and stealing a pistol. He had his examining trial Monday morning before J. M. Taylor and was held to answer at the next term of the Circuit Court in the sum of \$500.

## CANNEL CITY CURRENCY.

The mines will be closed for several weeks, owing to extensive repairs. All the tracks will be taken up and replaced by a wider gauge track.

Two weeks ago the Sunday-school children and parents received a treat in the way of lectures and stereopticon views, given by the Sunday-school evangelist, Brother Hopkins. Come again.

Children's Day was observed by the Union Sunday-school last Sunday. The exercises were good and were enjoyed by all. The success was due mainly to the efforts of Mr. and Mrs. Powell. They are great Sunday-school workers.

Cannel City is becoming noted as a summer retreat. We have visitors from Louisville and Lexington and from away down in South Carolina. That sounds good for a mining town, and we would like to have some Europeans with us.

There will be a Fourth of July picnic here, and while we have no saloons in our city and are doing all we can to crush the blind tigers, we expect that the neighboring towns will respect our feelings and leave the whiskey jug at home; we have no use for it.

The Morgan County Bank, with Lon Powell as cashier, made application to the controller of currency for permit to organize a national bank. The request has been granted, and Cannel City will soon have a National Bank. Whoop her up. We will soon have a city in reality as well as in name.

Miss Wright, a member of the Christian Missionary Board, who has been doing a good work here for the past year, has gone for a few weeks' visit to her home in Indiana. On her departure she was not sure whether the Board would send her back or to another place. We would like to have her with us, but our loss is another's gain.

## Dying of Famine

is, in its torments, like dying of consumption. The progress of consumption, from the beginning to the very end, is a long torture, both to victim and friends. "When I had consumption in its first stage," writes Wm. Myres, of Cearfoss, Md., "after trying different medicines and a good doctor, in vain, I at last took Dr. King's New Discovery, which quickly and perfectly cured me." Prompt relief and sure cure for coughs, colds, sore throat, bronchitis, etc. Positively prevents pneumonia. Guaranteed at all druggists, price 50c and \$1.00 a bottle. Trial bottle free.

Ye scribe had roasting ears for dinner on the 24th inst., which is the earliest we have ever known. The corn is a variety of sweet-corn—Stowell's Evergreen, good sized ears, but grows low.

Squire W. B. Greer held court here Tuesday for the purpose of trying Jim Blain Murphy on the charge of abounding and intimidating Dillard Murphy, a ten year old boy. The jury found him guilty and fixed his fine at \$25 and 20 days imprisonment. He took an appeal, and his case will go to the quarterly court.

June 26. ELSEBETH.

Byrd McNabb came near being killed by a hog on our streets a few days ago. He was riding by Judge Wheeler's shop and started to ride around a hog lying in the street, when it suddenly rose and passed between the mare's forelegs, throwing her so that she nearly turned a somersault and pitching Byrd about 20 feet.

The rain storm Monday evening did a great deal of damage throughout this section, especially along the streams. On Caney plows, wagon beds, &c., were washed away, and on Lacy Creek Steve Rose had a lot of saw logs washed away.

The Ohio & Kentucky railroad was damaged severely by the rain-storm of Monday. Two bridges near Adel were washed out, and a trestle near White Oak was carried away, to say nothing of other damages along the line.

Boone May, representing Martin, Woolfolk & Co., wholesale grocers, of Lexington, was seeing our merchants yesterday and booked some good orders. Last year Boone made a record in this section of which any man might well be proud.
